

# FACTS

In 2007, Planned Parenthood performed 305,310 abortions. Their website claims the average fee charged per abortion is \$625. That's over \$190 million in abortion revenues in a single year. Yet Planned Parenthood, as a not-for-profit organization, received \$349.6 million in taxpayer support from the federal government. **70%**

Planned Parenthood has placed 62-78% of their abortion clinics in minority neighborhoods depending on how you want to interpret the data.

Randy Hall of CNSNews published results in a Feb. 7, 2005 article, "Abortion Causing 'Black Genocide'". The results showed that 62.5% of these Planned Parenthood facilities were located in cities having a higher black percentage than the state.

**62:1**

In 2007 Planned Parenthood made only 4,912 adoption referrals, yet aborted 305,310 lives. It's obvious what choice they're promoting.

In 2007, Planned Parenthood made only 4,912 adoption referrals yet aborted 305,310 lives. That's 62 abortions for every one adoption referral.

**3x**

An African American baby is three times more likely to be aborted from the womb than a white baby.

Today, blacks account for 12.8% of the American population, but African American women receive 36% of all abortions.

Source: 2010 US Census Data <http://quickfacts.census.gov/qfd/states/00000.html> US Center for Disease Control Abortion Surveillance Report 11/26/04 Accessed at: <http://www.cdc.gov/mmwr/?preview/mmwrhtml/ss5212a1.htm>

**25%**

Since 1973, abortion has reduced the black population by over 25 percent.

**African American U.S. population 39,296,838**

Source: 2010 Census, <http://quickfacts.census.gov/qfd/states/00000.html>

Since 1973, the year of the Supreme Court Decision *Roe vs. Wade*, 13 million African American lives have been lost to abortion.

Source: Center for Disease Control (CDC)

Approximately 4,000 abortions that are performed daily in the United States, 1,452 of them are performed on African American women and their pre-born children. This means that although African Americans represent only 12% of the population of the United States, they account for 35% of the abortions performed in this country.

Source: Center for Disease Control (CDC)

**2x**

Twice as many African Americans have died from abortion than the combined tolls of violent crimes, cancer, heart disease, accidents and AIDS.

More African American babies have been killed by abortion since 1973 than the total number of African American deaths from AIDS, violent crimes, accidents, cancer and heart disease combined.

Approximate number of African American deaths since 1973:

Abortion: 13+ Million    Heart Disease: 2.26 million    Cancer: 1.64 Million  
Accidents: 307,723    Violent Crimes 306,313    Aids: 203,649
